STM now sells the Magik Frame Reusable Sign Holder! Magik Frame uses a revolutionary mounting adhesive that allows it to adhere to any smooth, dry surface and be re-used hundreds of times without leaving any residue behind. It also has an incredible temperature range of -20°C to 80°C.

Stores, warehouses, offices, hotels, restaurants, hospitals, schools, libraries, & banks can all take advantage of the inexpensive magik frame. It works great on glass doors, windows, exhibit cases, cooler doors, store entry ways, painted walls, tiles, metal surfaces, wood surfaces & plastic surfaces.

Magik Frame is available in all standard sizes & can also be custom sized and branded with your colors & logos. Retail prices, literature, notices, promotional posters, health & safety information can all be displayed anywhere & anytime without worrying about messy tapes or residue.

Curvette Mounts™

holds Rigid substrates up to 1 - 1 / 4 " thick

Sleek curvilinear design offers support for any rigid graphics. Portable lightweight aluminum base, allows quick graphic changes. Great for exhibitor, event and retail environments.

Bases are offered in 5 sizes or can be used in series to accommodate larger graphics.

Unique extrusion offers 2 layers of adjustments allowing grip ranges from paper thin rigid substrates to 1-1/4" maximum thickness.

An ergonomic bottom knob tightens rubber lined halves together, to hold the graphic firmly.
