Above All Advertising is an industry leader in providing innovative and powerful products to the marketplace. We are constantly striving to introduce new options and solutions to keep advertising fresh and dominant. We are proud to offer a new member to our product line, the Design Air™ Inflatable Furniture. Now you can brand furniture for any event and your logo and company colors can be added into the design. These inflatable furniture options are made up of an inner inflatable which is inflated to shape and your print is digitally dye sublimated to a polyester blend fabric and then custom made to fit the inflatable. We offer different models for diverse venues and have options to fit your need.

These inflatables are fantastic in making sure you are noticed in-store or at trade shows, festivals, state fairs, grand openings, flea markets, etc…

To learn more about how you can add one of these to your line-up, please call a helpful sales associate today!
